350 m

LOUISE BRIDGE TO KENSINGTON

850 m

PEACE BRIDGE

1.4 km

PRINCE'S ISLAND PARK

Straight-line distances from the building. Map is approximate.

BALCONY

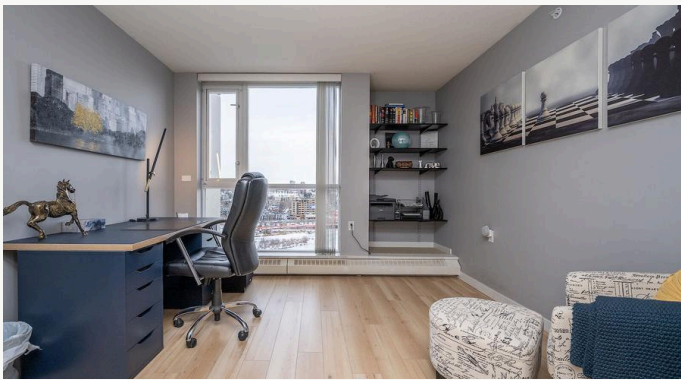

Off the dining room and the second bedroom, with a BBQ, a bistro table and views over the river.

Room to rest and work

PRIMARY BEDROOM

A glass-block wall, ceiling fan and a full-length closet behind sliding doors. The ensuite, with a soaker tub and the roll-in shower, opens through a 3' pocket door.

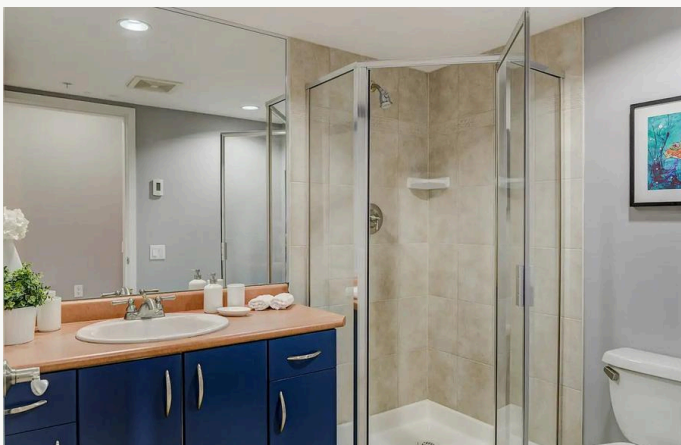

DEN

Pocket doors on two sides, to the living room and the primary bedroom. Set up as an office, with river views from the desk.

SECOND BEDROOM

A Murphy bed folds up to free the floor. A sliding glass door opens to the balcony.

SECOND BATH

Corner glass shower, vanity and storage, off the hall by Bedroom 2.

IN-SUITE LAUNDRY

Stacked LG washer and dryer, a laundry sink and open shelving.

ACCESSIBILITY

Built for wheelchair living

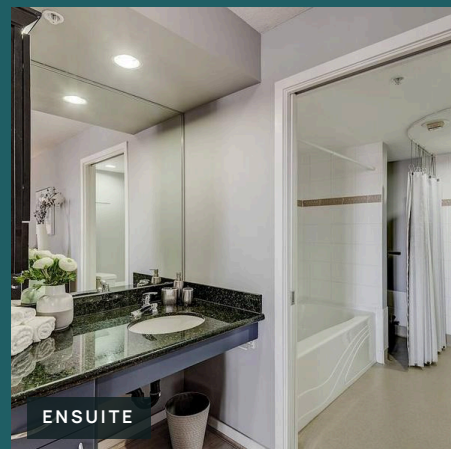

From the heated parkade stall to the ensuite, the suite is set up for a wheelchair user: barrier-free entry, wide openings, a roll-in shower and a roll-under vanity.
